

specializing in the construction of high quality sports surfaces

R.A.D. **SPORTS**

www.radsports.com

For timely, accurate and state-of-the-art sports surfaces Make R.A.D. Sports a part of your team.

R.A.D. Sports specializes in the construction of high-quality athletic fields of natural and synthetic grass. For its synthetic turf needs, R.A.D. partners with leading manufacturers of synthetic sports turf. We will work with you to determine which turf best meets your specific needs. Throughout the project, you have one contact - R.A.D. Sports- responsible for all aspects of your project from demolition to the finishing details.

services

Our construction skills are second to none...

- site clearing & demolition
- excavation & grading
- drainage systems
- utility systems
- field base construction (natural/synthetic)
- fine grading
- landscaping
- bleachers
- lighting systems
- parking facilities

R.A.D. Sports is a full-service construction company, handling projects from demolition to completion and everything in between. Our leading-edge technology ensures that athletic fields meet the strictest NCAA requirements. Our equipment includes heavy earth-moving machinery and a dual target laser grader, the finest grading machine in the industry. And, our materials meet the highest quality standards. Its attention to detail makes R.A.D. Sports a trusted solution.
