## **DID YOU KNOW...**

Turf fields collect debris, including jewelry, leaves, tape, loose change, and litter. This debris can effect play and accelerate wear and tear. Regular maintenance will prolong the life of your turf field.

**R.A.D. Sports** has the equipment and crews that can thoroughly clean and de-compact your turf field. The closer a maintenance schedule is followed, the better the appearance and performance of your synthetic field will be.

Services are provided year-round. Call to schedule your appointment with us!

**CONTACT US FOR PRICING. CUSTOM MAINTENANCE OPTIONS ARE ALSO AVAILABLE.**
